The Proper Way to Repair a Ball Mark

- 1 Use a prolonged ball mark repair tool (preferably, knife, key or tee.
- 2 Insert at the edges of the mark-not the middle of the depression.
- 3 Bring the edges together with a gentle twisting motion, but don't lift the center. Try not to tear the grass.
- 4 Smooth the surface with a club or foot. You're done when it's a surface that you would putt over.
